SUMMARY

Passionate Full Stack Developer with solid experience in JavaScript, React.js, and Node.js, specializing in building scalable and high-performance web applications. Proven expertise in backend development, microservices architecture, and UI optimization. Strong team player with hands-on experience in delivering impactful solutions in HRTech and Fintech domains. Adaptable and collaborative with a deep understanding of Agile methodologies and modern engineering practices.

EXPERIENCE

ADP

AUG 2022 – Present

PROJECTS - COREHR

May 2023 – Present

- Built scalable microservices using Node.js and Express.js, supporting core HR features across 30+ countries.
- Developed dynamic and secure UIs with React.js and Redux, integrating region-specific workflows.
- Improved application performance and modularity by implementing micro-frontend architecture.
- Worked closely with cross-functional teams to ensure smooth delivery and continuous integration.

Data Cloud Analytics and Reporting

Dec 2022 – Mar 2023

- Designed custom SQL-based reporting solutions to analyze large-scale datasets.
- Refined and optimized SQL queries to enhance data retrieval speed and reduce manual reporting efforts by 30%.
- Integrated reporting modules with backend services using Node.js, ensuring scalability and maintainability.

Off-cycle Payroll

Aug 2022 – Dec 2022

- Built backend services using Node.js and TypeScript to streamline off-cycle payroll processes.
- Collaborated with frontend teams to deliver responsive UIs using React.js, improving user experience and reducing errors.
- Implemented real-time payroll adjustments by developing robust APIs and enhancing backend efficiency.

TECHNICAL SKILLS

- **Frontend Development:** HTML, CSS, React.js, JavaScript, TypeScript, Redux, React Hooks, UI modification experience
- **Backend Development:** Node.js, Express.js, Microservices
- **Database & Querying:** SQL, Data Modeling
- **Tools & Technologies:** Git, Agile Methodologies, System debugging, Data Analytics, Docker(basics)

EDUCATION

Bachelor of technology (B. Tech)

Aug 2018-Jul 2022

Institute: GL Bajaj Institute of technology and management, Greater Noida

- Electrical and Electronics Engineering
