prajaktakadamo106@gmail.com 

Pune,maharashtra 

## SUMMARY

Over 3 years of experience in building reliable and efficient backend systems. I have worked on creating complete solutions, integrating APIs, and ensuring secure and smooth application performance. I have sound knowledge of **RESTful web services** and experience with POST, PUT, DELETE, and GET methods. I focus on writing clean, optimized code and delivering projects on time. I am good at solving problems and paying attention to detail to build applications that meet business needs.
