Experience

Jr. Software Developer

Tiso Studio

Feb 2023 – Sept 2024

Hyderabad, India

- Tijarah 360 WebApp
- Built dynamic and responsive web components using **React**, **Next Js**, **TypeScript**, and **Material UI** for type safety and improved code quality.
- Developed key features like **Authentication**, permission management, and user-friendly dashboards for enhanced usability.
- Built complex forms with validation using **Formik** and managed state with **Zustand**, and integrated **REST API's** for smooth data handling.
- Enhanced performance and stability through optimization and debugging. Used **CI/CD** practices for efficient development and reliable updates.
- Built **React Native App** for car wash to manage bookings, update status, and handle offline payments.

Software Developer Intern

Tiso Studio

Oct 2022 – Jan 2023

Hyderabad, India

- Developed a **React Native App** for managing documents such as maintenance bills and registration documents.
- Integrated **GraphQL API's** using GraphQL codegen for creating **Dynamic hooks** for API calls.
- **Manually tested** the app to identify and resolve bugs, improving overall user experience.

Projects

Weather Forecast App

React, TypeScript, Next Js, Tailwind CSS, REST API's

Oct 2024

Weather Forecast App

- Developed a Weather Forecast App that displays current weather conditions, humidity, and wind speed.
- Implemented a 5-day weather forecast feature and functionality to save the last three used locations.

Airport Services App

React, TypeScript, Next Js, Material UI, Firebase, Context API's

Dec 2024

Airport Services App

- Developed an Airport Service App that allows users to book services including resort accommodations, luggage handling, lounge access, and guided tours.
- Implemented user authentication using Firebase.

Technical Skills

Languages: HTML/CSS, JavaScript, TypeScript, SQL

Developer Tools: Git, GitHub, VS Code, PostMan

Frameworks: React, React Native, NextJs, Tailwind CSS, Material UI, Formik, Zustand, Redux, Firebase

Education

Jawaharlal Nehru Technological University

Bachelor of Technology

Hyderabad, India
