About Me

UI/UX Designer with 2.5+ years of experience crafting user-friendly, visually compelling websites and apps. With a background in fashion, I bring a creative-meets-functional approach to digital design. I've led a small team while staying hands-on, focused on building designs that truly work for users.

Freelance Projects

Earnizy

Designed a website platform enabling individuals to become financial advisors with zero upfront investment, focusing on user flow, accessibility, and onboarding experience.

Collage Project

Little Steps

Conducted an in-depth case study for an online daycare and babysitting app, identifying user needs and designing a complete, professional portfolio for the application.

EXPERIENCE

UI/UX Designer

Fashquick March 2024 – Till date

Promoted to UI/UX Designer after 6 months as a UX Designer. Lead a team of two intern, managing tasks in graphic design, video editing, and social media content. Designed promotional visuals for app marketing, including short videos and ad creatives for Meta and other platforms.

UI/UX Designer

Lokarpan August 2023–March 2024

Completed a UI/UX design internship at LOKARPAN, a non-profit focused on community empowerment. Led the design of an 8-page website, including layout, structure, and custom graphics to boost visual engagement.

UI/UX Designer

Stolution January 2023–June 2023

Completed first UI/UX design internship focused on creating wireframes and prototypes using Figma. Contributed to core platform modules such as event management, profiles, professional networking, surveys, and jobseeker features.

FASHION DESIGNER
