---

React Native Developer with 3.5+ years of experience building high-performance cross-platform mobile applications for Android and iOS using JavaScript (ES6+), TypeScript, and React Native. Skilled in Redux Toolkit, Context API, custom hooks, Firebase, GraphQL, and REST APIs. Proven ability to create reusable components, optimize app performance, and collaborate with cross-functional teams to deliver scalable, maintainable codebases.

## Work Experience

### Software Engineer - **Globant, Pune, MH**

Dec 2024 - Present

- Developed scalable mobile apps using React Native and TypeScript with key features like shopping cart, subscriptions, and role-based access.
- Boosted app performance by 30% through dynamic imports and device-specific optimizations for Android and iOS.
- Built reusable UI components, increasing development speed by 25%.
- Handled complex state with Redux Toolkit and Context API for efficient data flow.
- Ensured app stability through performance tuning, testing, and proactive bug resolution.

### React Native Developer - **VHITS, Indore, MP**

Apr 2023 - Jul 2024

- Built cross-platform apps using React Native, TypeScript, and Redux Toolkit with 40% more reusable code via component and REST API integration.
- Improved app responsiveness by 20% through targeted performance optimizations.
- Collaborated with designers and backend teams to ensure cohesive UI/UX and smooth data flow.
- Ensured code quality through thorough debugging, testing, and regular code reviews.

### React Native Developer - **Intenics, Jabalpur, MP**

Apr 2021 - Apr 2023

- Delivered high-quality React Native apps with scalable architecture and consistent modular design.
- Collaborated with design teams to create responsive, user-centric UI/UX.
- Integrated third-party APIs and resolved issues, boosting app reliability by 35%.

## Skills

**Frontend:** React Native, React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3

**State Management:** Redux Toolkit, Context API

**Backend & API:** RESTful APIs, GraphQL, JSON, AWS (basic)

**Testing:** Jest, React Native Testing Library, Enzyme

**Tools & Platforms:** Git, GitHub, Postman, VS Code, Android Studio, Xcode, CI/CD

**Methodologies:** Agile/Scrum, Cross-functional Collaboration, Problem solving

## **Projects**

**UAE Based E-commerce App** - *Cross-platform mobile app for buyers and sellers with subscription features.*

**Tech Stack:** React Native CLI, TypeScript, JavaScript, Redux Toolkit, REST APIs.

- Developed and deployed a scalable e-commerce app for Android and iOS with Shopping Cart, Checkout, and Order Management features.
- Built reusable UI components and implemented smooth navigation for a seamless user experience.
- Integrated subscription plans with payment validation, renewal logic, and status tracking.
- Enhanced app performance using lazy loading, memoization, and device-specific optimizations.

**Bodify App** - Mobile app for trainers and trainees to manage workouts, analytics, and finances

**Tech Stack:** React Native CLI, TypeScript, Redux Toolkit, REST APIs, GraphQL.

- Developed a responsive trainee interface supporting 40-session workout plans, user profiles, and financial tracking.
- Led frontend development and resolved plugin/UI issues, ensuring stable performance on Android and iOS devices.
- Collaborated with cross-functional teams from design to deployment to align features with business goals.
- Used GraphQL and REST APIs for smooth, optimized data flow.

**Connplex-Franchise App** - Franchise app for India's top smart theatre network.

**Tech Stack:** React Native CLI, TypeScript.

- Built leasing and property selection features to enable rapid onboarding for franchises across India.
- Delivered a user-friendly experience tailored for both Android and iOS platforms.
- Followed modular architecture and reusable design patterns to improve scalability.
- Coordinated with business stakeholders to align UI flow with operational needs.

## **Education**

Bachelor of Engineering in Computer Science

**Shri Ram Institute of Science & Technology, Jabalpur, MP**
