Saurabh Kumar

Full Stack Developer

I am a Full Stack Developer with 2.5 years of experience working on web applications using Angular, Node.js, JavaScript, and MongoDB. I have worked on both frontend and backend development, created REST APIs, and built responsive, user-friendly interfaces. I'm comfortable working in a team, solving problems, and learning new technologies. I'm looking for a good opportunity to grow my skills and contribute to a strong development team.
